(3) The moneys credited to the Fund shall be utilised by the Government for the welfare of the consumers in accordance with such rules and the accounts and other relevant records in relation to the Fund shall be maintained in such manner, as may be prescribed.

(1) Notwithstanding anything contained in Section 50 or any other law or contract to the contrary, any person responsible for making payment of any sum to any contractor (hereinafter referred to in this section as deducting authority) for carrying out any works contract, which involves transfer of property in goods, in pursuance of a contract between the contractor and—

deduct, subject to the certificate, if any, produced by the contractor in pursuance of sub-section (5), an amount towards tax equal to four per centum of such sum in respect of the works contract, if the value of works contract exceeds rupees fifty thousand.

16 [Provided that where a dealer executing works contract, entering into further contract with sub-contractor to execute such work, shall not deduct any further amount towards tax in respect of the said work and tax deducted at source by the deducting authority shall be transferred proportionately to the sub-contractor by the principal contractor in such manner as may be prescribed.]

\[\text{---}\]

in sub-section (1) involves both transfer of property in goods and labour or services, or involves only labour or services and, accordingly, justifies deduction of tax on a part of the sum in respect of the works contract or, as the case may be, justifies no deduction of tax, he shall, after giving the contractor a reasonable opportunity of being heard, grant him such certificate as may be appropriate, in the manner prescribed:

Provided that nothing in the said certificate shall affect the assessment of the tax liability of the contractor under this Act:

Provided further that where the assessing authority, in consideration of the facts and circumstances of the case, is of the opinion that such certificate of no deduction or deduction of tax on a part of the sum as claimed is not justified he may, after allowing the dealer a reasonable opportunity of being heard, refuse to issue such certificate:

[Provided also that where a dealer executing works contract, enters into further contract with sub-contractor to execute such work, the sub-contractor shall not require such certificate of no deduction in respect of the said works contract.]

(b) Where such a certificate is produced by a contractor before the deducting authority, until such certificate is cancelled by the assessing authority, the deducting authority shall either make no deduction of tax or make the deduction of the tax, as the case may be, in accordance with the said certificate

(6) If any person contravenes the provision of sub-section (1), (2) or (3) or of clause (b) of sub-section (5), the assessing authority shall, after giving him an opportunity of being heard, by an order in writing, impose on such person a penalty equal to twice the amount required to be deducted and deposited by him into Government Treasury.

(7) Nothing in sub-section (5) or any other provision of this section shall be construed as to authorise deduction of any amount towards tax on the value of any property in goods transferred in the course of inter-State sales, sales outside the State or sales in the course of import.

---

(8) Where any certificate issued under sub-section (5) is found to have been obtained on incorrect or fraudulent representation of facts, the assessing authority shall cancel the certificate with direction to the deducting authority to recover the tax, not deducted on the strength of such certificate, from the subsequent payments due to the works contractor:

Provided that no such order of cancellation shall be issued without giving a reasonable opportunity of being heard to the works contractor.

55. Tax to be first charge on property. —

Notwithstanding anything to the contrary contained in any law for the time being in force, any amount of tax, including interest or penalty or both, if any, payable by a dealer or any other person under this Act, shall be a first charge on the property of the dealer or such person, as the case may be.

Provided that the assessing authority shall first adjust such excess amount towards the recovery of any amount due in respect of which a notice under sub-section (4) of Section 50 has been issued, or any amount due for any period covered by a return but not paid and, thereafter, refund only the balance, if any.

(2) Where any refund is due to any dealer according to return furnished by him for any period, such refund may provisionally be adjusted by him against the tax due or tax payable, as per the returns filed under Section 33, for any subsequent period:

Provided that the excess input tax credit for any tax period shall not be carried forward beyond a period of twenty four months from the close of the year to which that tax period relates for adjustment against the tax due for subsequent period or periods, except when the dealer exercises option in writing for further carry over:

Provided further that the amount of tax, including interest or penalty or both, if any, due from, and payable by, the dealer on the date of such adjustment shall first be deducted from the amount of such refund before adjustment.
